## Software Engineer

[My Portfolio](#), [Github](#)

Experienced Software Developer with expertise in VueJS, JavaScript, and Bootstrap. Proven track record in enhancing user engagement and conversion rates through collaboration and technical skills. Proficient in Agile environments and the MERN stack (MongoDB, Express, React, NodeJS). Specialized in Tailwind CSS for optimized web design. Internship at NETSOL Technologies included contributions to brand logos, web design, and HTML templates. Implemented Stripe payment systems to improve transaction security. Committed to continuous learning and passionate about user experience and innovation.
